

Subaru Evoltis Touring Eyesight Specifications

Engine & Transmission	
Engine Capacity	2,387 cc
Type	Petrol, Direct Fuel Injection, 4-Cylinder, DOHC 16-Valve, Turbocharged Boxer Engine
Power & Torque	264 PS @ 5,600 rpm & 375 Nm @ 2,000 rpm - 4,800 rpm
Fuel Tank	73 litres
Transmission	Lineartronic CVT with 8-speed manual mode & paddle shifters
Performance & Consumption	
Acceleration 0-100 km/h	7.7 seconds
Maximum Speed	208 km/h
Fuel Consumption	10.4 L/100km (combined)
Measurements	
Length / Width / Height	4,998 mm / 1,930 mm / 1,819 mm
Cargo Capacity	498 litres (max. 2,061 litres)
Tyres & Wheels Size	245/50 R20
Wheelbase / Ground Clearance	2,890 mm / 220 mm
Kerb Weight	2,181 kg
Turning Circle	11.6 metres
Active Safety	
Symmetrical All-Wheel Drive*	•
Dual-function X-Mode with Auto Restore & Hill Descent Control	•
4-wheel Independent Suspension	•
Vehicle Dynamics Control System	•
ABS with Electronic Brake-force Distribution	•
Auto Vehicle Hold	•
Active Torque Vectoring	•
Electric Brake Booster	•
Brake Assist System & Brake Override	•
Electronic Parking Brake	•
Preventive Safety	
Subaru Enhanced EyeSight 4.0* NEW!	•
Driver Monitoring System NEW!	•
Steering Responsive Headlights	•
High Beam Assist	•
EyeSight Assist Monitor	•
Anti-pinch Power-sliding Glass Sunroof	•
Anti-pinch Power Windows	•
Anti-slip Side Sill Steps	•
Rear Occupant Detection System	•
Child-proof Rear Door Locks	•
Reverse Automatic Braking	•
Multi View Monitor System NEW!	•
Subaru Rear Vehicle Detection System	•
Autonomous Emergency Steering	•
Passive Safety	
Subaru Global Platform*	•
Breakaway Boxer Powertrain	•
Shock-absorbing Front Bumper Structure	•
Front, Side, & Curtain SRS Airbags	•
Knee SRS Airbag for Driver	•
Whiplash-protection front seats with height and tilt-adjustable head restraints	•
Safety Pedal System	•
Collision Detection Unlock	•
Rear 3-point Seatbelts for 5 Occupants	•
Comfort & Convenience	
11.6-inch HD Touchscreen with Wireless Apple CarPlay, Wireless Android Auto & Bluetooth NEW!	•
14-speaker Harman Kardon Premium Audio System	•
Front and Rear USB Type-A & Type-C Ports NEW!	•
Nappa Leather Seats NEW!	•
Keyless Access & Push-button Start	•
12-way Power-adjustable Driver's Seat (with Memory Function) NEW!	•
4-way Power-Adjustable Front Passenger Seat	•
2nd Row Captain Seats	•
60/40-split Folding Third-row Seatbacks	•
Reclining Third-row Seatbacks	•
19 Cup and Bottle Holders	•
Tilt-adjustable / Telescopic Steering Wheel	•
Roof Rails & Roof Spoiler	•
Power Rear Gate with Memory Function	•
Three-zone Automatic Air-conditioning	•
Power-folding Door Mirrors	•
Automatic Rain-sensing Windshield Wipers	•
LED Headlamps with Auto-leveling	•
LED Front Fog Lamps	•
Smart Rear View Mirror	•

EVOLTIS

The TRUE 7-Seater SUV

THE TRUE LUXURY OF SPACE AND PERFORMANCE

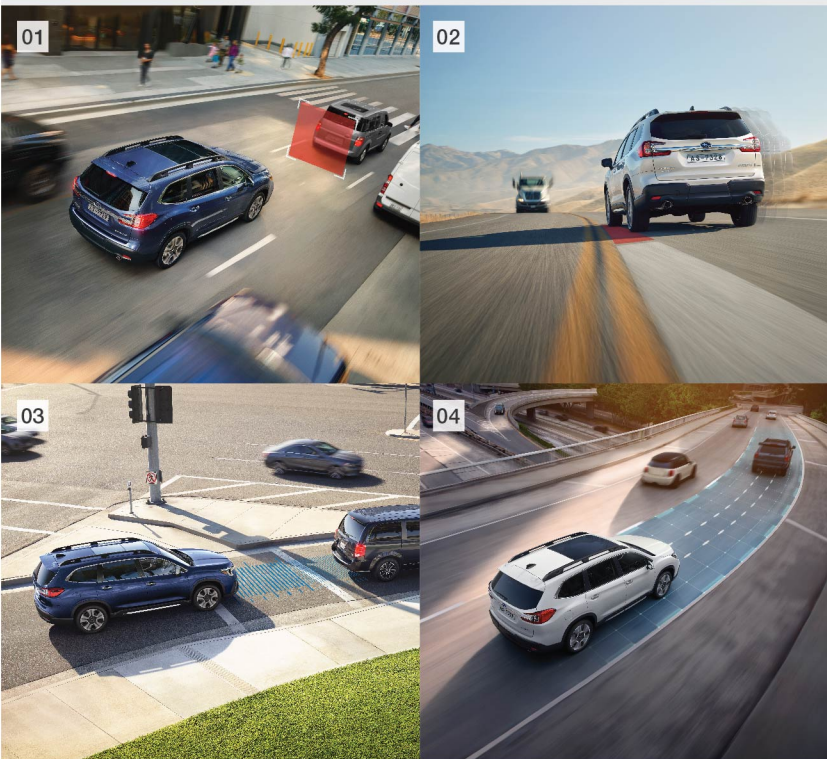

The Evoltis – the true 7-seater SUV that allows you to bond with everyone in the family. Built with our core technologies such as the Subaru Global Platform, Enhanced EyeSight 4.0 Advanced Driver Assist Technology and a 2.4-litre direct-injection turbocharged Boxer Engine. Go and take that road trip, make it special with Evoltis.

EVOLTIS

SUBARU EYESIGHT DRIVER ASSIST TECHNOLOGY

The latest version of EyeSight*1 provides drivers with even more peace of mind on the road. A wide-angle monocular camera works in conjunction with the dual-camera system for an expanded field of view for earlier pedestrian and bicycle detection when entering an intersection at low speed. Updates to image recognition and the addition of an electronic brake booster improve Pre-Collision Braking performance and expand the operation range of collision avoidance for more confident and safer driving in many real-world driving situations.

- 01 Pre-Collision Braking System*2**
 Can warn you with a buzzer and flashing indicator when it senses an impending front collision, and even intervene to prevent the collision or reduce any impact.
- 02 Lane Departure & Prevention, and Lane Sway Warning**
 Can alert you with a buzzer and flashing indicator if it detects lane drift or lane departure without signaling and help keep you in your lane.
- 03 Pre-Collision Throttle Management**
 Can help alert you with a buzzer and flashing indicator when there is an object in front, and you put the gear in Drive instead of Reverse. Can cut engine power to prevent or minimise impact force.
- 04 Lane Centering Function with Preceding Vehicle Adaptive Steering Control**
 Can reduce driving fatigue with improved lane marking and preceding vehicle recognition accuracy that allows cruise control to continue working even around turns.

- 01 20-inch Aluminium-alloy Wheels**
 Sturdy look for a dynamic SUV.
- 02 Panoramic Power Sunroof**
 A wide-open panoramic sunroof makes driving more enjoyable for all passengers.
- 03 11.6-inch Centre Display**
 The large 11.6-inch touchscreen display allows intuitive, smartphone-like operation and more. Cabin Connect allows easy communication between front and third-row occupants with built in microphone and speakers.
- 04 Harman Kardon Premium Audio System**
 14 high-efficiency speakers deliver powerful, deep bass and improved acoustics for a richer audio experience.
- 05 Multi View Monitor System**
 A 360-degree bird's-eye view of the areas around the entire vehicle to reduce blind spots when taking off, reversing, or parking.
- 06 Driver Monitoring System (DMS)**
 A dedicated camera and facial recognition software to monitor fatigue or lack of attention. It also provides custom car settings for up to five drivers.
- 07 12-way Power Driver's Seat with Cushion Length Adjuster**
 Adjust the seat cushion to fit your body type. The seat also automatically retracts for easy entry.
- 08 USB Type A & C Power Ports**
 USB charging ports are available in every row.

*1 EyeSight is a driving support system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving and observance of traffic regulations. System effectiveness depends on many factors such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations for EyeSight including functions in this brochure.

*2 Pre-Collision Braking System may not work in all situations. Depending on the speed difference from objects, the object's height, and other conditions, every situation may not meet the necessary conditions for EyeSight to work optimally.
