FORESTER

e-BOXER HYBRID

Adventure Starts at Dawn

The all-new Forester is made for moments like this—where the adventure starts at dawn. With its new hybrid system, it delivers smooth, efficient performance and the capability to take you further. Bold and capable, the Forester blends advanced innovation with versatility, adapting effortlessly to both daily drives and extraordinary adventures.

Confidence Starts Here

The all-new Forester features a large 11.6-inch centre display that provides quick and easy access to entertainment and controls. Enjoy smooth rides with wireless smartphone connectivity*1, ensuring every drive feels effortless and in command.

1 Wireless Charger*1*2
2 Premium Audio System with Harman/Kardon Speakers
3 Wireless Apple CarPlay*3 and Android Auto*1*4

Generous Comfort

With class-leading space around both front and rear seats, along with comfortable shoulder, elbow, and legroom, every ride becomes an enjoyable journey. From the well-spaced seating arrangement to ample headroom, every detail has been carefully designed with your comfort in mind.

*1 Availability and compatibility of wireless connectivity may vary depending on market specifications and the type of mobile phone or device used.
*2 Qi wireless charging may not be compatible with all mobile phones.
*3 Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.
*4 Android and Android Auto are trademarks of Google Inc.

Apple CarPlay and/or Android Auto may not be available in all regions. Additionally, compatibility may vary depending on smartphone specifications. Please contact your local authorised Subaru retailer for more details.
Driver is always responsible for safe and attentive driving. Please refrain from operating the touchscreen while driving.

Kick Sensor-activated Hands-free Power Rear Gate

Easily open and close the rear gate hands-free with a simple foot gesture, allowing for convenient use even when your hands are full.

60/40-split Folding Rear Seats

The cargo area has plenty of room for all your gear, tailored for your active lifestyle. Plus, the 60/40-split folding rear seats make it easy to fit large items and longer gear.

Share the Journey, Enjoy the Ride

With its advanced body framework and hybrid-specific tuning, the all-new Forester minimises vibrations and road noise, creating a calm, composed cabin. The hybrid system enhances stability and smoothness, even on rough terrain, reducing fatigue for drivers and passengers alike – making every journey comfortable and relaxing, whether it be through the city or off the beaten path.

Airflow Control System

Enhances stability and smooths out your drive, providing a steady and comfortable interior that contributes to improved handling safety and a stable ride, with minimal swaying inside the vehicle.

Ergonomical Seats for Reduced Fatigue

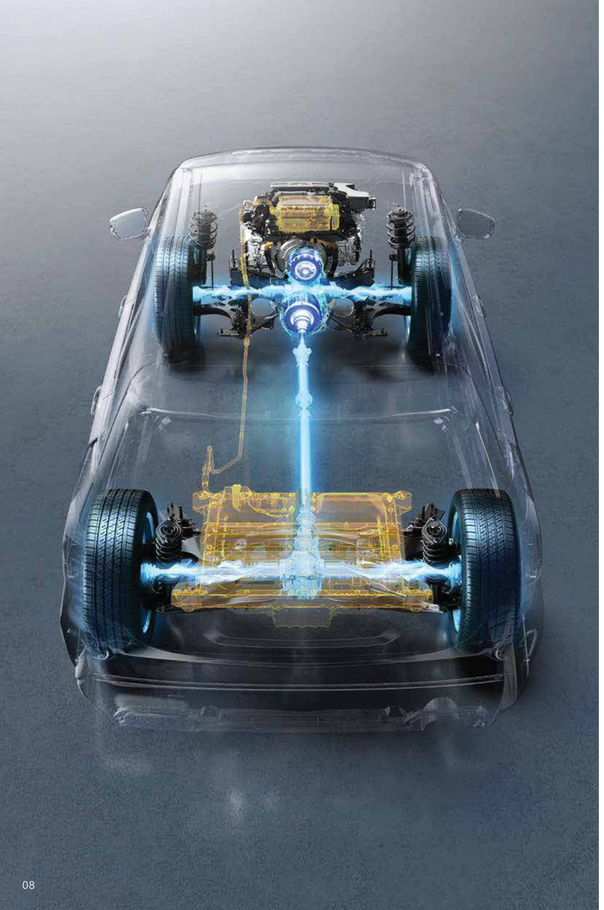
Dual-function X-MODE

Experience smooth driving on rough terrain and inclines with X-MODE. It offers reliable support for outdoor adventures and enhances control when reversing, making it easier to free the vehicle from snow or mud, helping you confidently navigate any terrain.

SI-DRIVE

Subaru Intelligent Drive (SI-DRIVE) tailors engine response to your preferences, offering both an Intelligent (I) mode for fuel efficiency and a Sport (S) mode for enhanced driving enjoyment with powerful acceleration.



SUBARU CORE TECHNOLOGY

The Subaru Difference

Subaru's core technologies identify the Subaru brand and give you the unique driving feel you can find only in a Subaru. These core systems allow Subaru vehicles to live up to its standards in performance, comfort, safety, and reliability while keeping its promise to deliver enjoyment and peace of mind to all passengers.

e-BOXER New Hybrid System x Symmetrical AWD

The Forester's hybrid system integrates a high-voltage battery and dual motors with Subaru's Symmetrical All-Wheel Drive. This setup continuously adjusts power in real time to maintain optimal traction, ensuring stability and control across varying conditions.

Improved Lineartronic

The updated Lineartronic integrates the drive motor, power generation motor, front differential, and electronically controlled coupling into a compact, high-precision design. This efficient one-package system maintains balanced weight distribution while maximising energy utilisation. The result is powerful, linear acceleration and enhanced quietness, delivering stable and reliable performance on any road.

EV Drive Mode*

EV Drive Mode powers the vehicle using only the electric motor, making it ideal for low-speed travel in residential areas. Designed to complement the hybrid system, it helps reduce emissions while offering a smooth and quiet drive.

SUBARU BOXER Engine

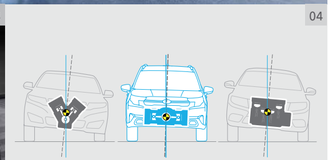
A boxer engine, or horizontally opposed engine, features pistons that move toward each other in a horizontal direction. Subaru's commitment to this design ensures stability and reliable performance. The hybrid system is uniquely tuned to harmonise the SUBARU BOXER engine's balance with hybrid efficiency, delivering smooth acceleration and quiet, eco-conscious performance.

* The range of EV Drive Mode is limited and depends on vehicle conditions. In some cases, EV Drive Mode may not be available.

01

02

03



04

01 Subaru Global Platform

The latest technologies added to the evolved Subaru Global Platform, together with Symmetrical AWD, provide all passengers with even greater enjoyment and peace of mind. Overall driving dynamics are greatly enhanced, allowing everyone to spend an enjoyable and fulfilling time together.

02 Full Inner Frame Structure

A full inner frame construction and wider structural adhesive use help reduce sudden body movements while driving. A unified feel of steering and vehicle movement provide better driving dynamics and stability on any road.

03 Driver Monitoring System

Driver Monitoring System is a state-of-the-art safety support system that utilises a dedicated camera and facial recognition software to monitor fatigue or lack of attention. It recognises up to five pre-registered drivers to provide customised driver settings for a comfortable, convenient, and personalised driving experience.

04 Naturally Balanced

The engine's flat design is inherently self-balancing, generating less vibration than other engine types.

Advanced Safety for Every Journey

Experience driving with peace of mind, thanks to Subaru's advanced safety features. The all-new Forester prioritises your safety on every journey with EyeSight*1 technology and enhancements to the Subaru Global Platform. Plus, the newly added Emergency Driving Stop System helps keep you well-protected and confident behind the wheel, detecting and responding to potential driver-related issues.

Subaru's Latest EyeSight*1 Technology

With Subaru's latest EyeSight*1 technology, now equipped with a wide-angle monocular camera, safety is further enhanced by significantly expanding the detection range, particularly for pedestrians and bicycles, ensuring a safer drive.

PRIMARY

Outstanding visibility, optimal driving position, and intuitive controls help keep you safe from the moment you enter your vehicle.

ACTIVE

Core technologies like Symmetrical AWD and Subaru Global Platform allow precise control of the basic elements of driving—driving, turning, and braking.

PREVENTIVE

Advanced safety technologies such as EyeSight*1 helps avoid collisions before they happen.

PASSIVE

Designed to keep you safe in the event of a collision with features such as the cabin-protecting engine layout, Subaru Global Platform, and SRS*2 airbags.

*1 EyeSight is a driving support system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving and observance of traffic regulations. System effectiveness depends on many factors such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations for EyeSight including functions in this brochure.

*2 Effective when used in conjunction with seatbelts.

The driver is always responsible for safe and attentive driving and observance of traffic regulations. Please do not depend solely on these safety features for safe driving. There are limitations to the features of this system. See Owner's Manual for complete details on system operation and limitations. Please ask your retailer for more details.

Disclaimer: The information and/or illustrations herein are for illustrative purposes only. Specifications of models may vary across markets and be dependent on local requirements and availability.

EyeSight Driver Assist Features

Pre-Collision Braking System*1

Supports improved collision avoidance at intersections through expanded recognition range with a wide-angle camera and enhanced control software performance.

Pre-Collision Throttle Management

When there is an object in front and you put the gear in Drive instead of Reverse, the system can alert you with a buzzer and flashing indicator and cuts engine power to minimise possible frontal impact force and damage.

Adaptive Cruise Control

Can look ahead and help automatically adjust your speed and distance from the vehicle ahead, a convenience in stop-and-go traffic.

Autonomous Emergency Steering

Can help avoid a collision with automatic steering support when it detects lane markings to judge if there is enough space to safely avoid a frontal collision.

Other Driver Assist Features:

- High Beam Assist (HBA)
- Lane Centring Control and Preceding Vehicle Adaptive Steering Control
- Lane Departure Prevention
- Lead Vehicle Start Alert

Standard Safety Features

Emergency Driving Stop System

Can automatically bring the vehicle to a complete stop when it detects a prolonged period without steering input by the driver, indicating a potential emergency situation. This helps prevent collisions and ensures the safety of both occupants and others on the road.

LED Cornering Lamps

The LED cornering lamps help illuminate the vehicle's front during turns, helping with early detection of pedestrians and bicycles to prevent accidents.

Supplemental Restraint System (SRS)*3 Airbags

The all-new Forester enhances protection with advanced safety features, including a passenger seat cushion SRS*2 airbag for improved frontal collision safety. With eight airbags in total, it's designed to help keep you and your passengers safe.

High Visibility

Engineered for safety, the all-new Forester prioritises improved visibility in real-world driving scenarios. Clearer sightlines help spot obstructions early, providing peace of mind on every journey.

Other Safety Features:

- Active Torque Vectoring
- Auto Vehicle Hold
- Cabin-protecting Layout
- Hazard Avoidance
- Reverse Automatic Braking (RAB)
- Ring-shaped Reinforcement Frame
- Steering Responsive Headlights (SRH)
- Subaru Rear Vehicle Detection (SRVD)
- Vehicle Dynamics Control System

*1 Pre-Collision Braking System may not work in all situations. Depending on the speed difference from objects, the object's height, and other conditions, every situation may not meet the necessary conditions for EyeSight to work optimally.

*2 Effective when used in conjunction with seatbelts.

For illustration purposes only. Not actual measurements.

The driver is always responsible for safe and attentive driving and observance of traffic regulations. Please do not depend solely on these safety features for safe driving. There are limitations to the features of this system. See Owner's Manual for complete details on system operation and limitations. Please ask your retailer for more details.

SPECIFICATIONS

Item			Symmetrical AWD (All-Wheel Drive) 2.5i-S EyeSight 2.5L Direct Injection + Hybrid System (e-BOXER) Lineartronic with Manual Mode
Engine			
Type			Horizontally opposed, 4-cylinder, 4-stroke, petrol engine DOHC 16-valve
Bore/Stroke		mm	94.0 × 90.0
Capacity		cc	2498
Compression ratio			12.0
Fuel system			Direct fuel injection
Fuel tank capacity		lit.	63
Perfomance			
Max. output (DIN)		kW (PS) /rpm	121 (164) / 5,600
Max. torque (DIN)		Nm (kgfm) /rpm	209 (21.3) / 3,600 – 4,800
Max. speed		km/h	182
Acceleration (0-100 km/h)		sec.	9.4
Fuel consumption* [1]	Low	lit./100 km	3.4
	High	lit./100 km	6.8
	Combined	lit./100 km	5.9
CO_2 emissions*1	Low	g/km	76
	High	g/km	155
	Combined	g/km	134
Motor			
Type			3 phase alternating current synchronous motor
Max. output		kW (PS)	90 (122)
Max. torque		Nm (kgfm)	276 (28.1)
Traction Battery			
Type			Lithium Ion battery
Rated Voltage		V	259
Rated Capacity		Ah	4.3
Drivetrain			
All-Wheel Drive type			Electronically Controlled AWD Coupling
Dimensions & weight			
Overall length		mm	4655
Overall width		mm	1830
Overall height		mm	1730
Wheelbase		mm	2670
Track	Front	mm	1570
	Rear	mm	1575
Minimum road clearance (at kerb weight)		mm	220
Cargo volume* [2]		lit.	1655*3
Seating capacity		persons	5
Kerb weight		kg	1760

Steering			Rack and pinion, electric power steering system
Suspension (4-wheel independent)	Front		MacPherson strut type
	Rear		Double wishbone type
Minimum turning circle at tyre (radius)		m	5.4
Brakes	Front		Ventilated disc brakes
	Rear		Ventilated disc brakes
Tyre/wheel size			235/50R19, 19×7 1/2"J

*1 Fuel consumption and CO_2 emissions: tested in accordance with TRIAS 08-002-02 (WLTP-Japan)
*2 Measured by VDA (V214).

*3 Measurement with Sunroof.

Vehicle kerb weight varies according to the types of optional equipment included. Specification data and model lineup may vary according to market.

STANDARD AND OPTIONAL FEATURES

Item	2.5i-S EyeSight 2.5L Direct Injection + Hybrid System (e-BOXER)
Exterior	
Auto On/Off Headlamps	●
LED Headlamps with Auto-leveliser	●
Pop-up Type Headlamp Washers	●
LED Front Fog Lamps	●
LED Rear Combination Lamps	●
Key-linked Folding Door Mirrors	●
Automatic Rain-sensing Windshield Wipers	●
Variable Intermittent Windshield Wipers	●
Intermittent Rear Window Wiper	●
UV Protection Glass: Windshield and Front Side Windows	●
19-inch Aluminium-alloy Wheels (machined)	●
Side Claddings	●
Front Fender Air Outlets	●
Power-sliding, Tilt-adjustable Glass Sunroof	●
Roof Rails (low profile)	●
Roof Spoiler	●
Shark Fin Antenna	●
Exhaust Tip	●

Standard on all models:

• Auto On/Off Headlamps • Pop-up Type Headlamp Washers • Automatic Rain-sensing Windshield Wipers
• Variable Intermittent Windshield Wipers • Intermittent Rear Window Wiper

Seating / Trims	
Leather-wrapped Steering Wheel with Brown Stitching	●
Leather-wrapped Gearshift Knob	●
Leather Seats	●
10-way Power-adjustable Driver's Seat with Lumbar Support	●
Driver's Memory Seat-linked Door Mirrors with Reverse Auto-tilt	●
8-way Power-adjustable Front Passenger's Seat	●
60/40-split Folding Rear Seatbacks	●
Reclining Rear Seatbacks	●
One-touch Folding Rear Seatbacks	●
Divided Seatback Pockets (behind both front seats)	●
Comfort / Convenience	
Power Windows*[1]	●
Keyless Access with Push-button Start System	●
Welcome Lighting	●
One-touch Lane Change Signal	●
Overhead Console Box	●
LED Map Lights	●
LED Cargo Light	●
Courtesy Door Lights (front)	●

Item	2.5i-S EyeSight 2.5L Direct Injection + Hybrid System (e-BOXER)
Vanity Mirror with Cover and Lights (driver and front passenger)	●
Centre Console Ambient Lighting	●
Centre Console Box	●
2 Front Cup Holders (in centre console)	●
Door Pockets with Bottle Holders (on all side doors)	●
Rear Seat Centre Armrest with 2 Cup Holders	●
Two 12-volt Power Outlets (in centre console and luggage space)	●
Kick Sensor-activated Hands-free Power Rear Gate	●
Cargo Area Bag Hooks (x4)	●
Cargo Net Hooks (x4)	●
Upper Cargo Hooks (x2)	●
Retractable Cargo Area Cover	●
Storage Box (under cargo floor)	●
Tyre Repair Kit	●

Standard on all models:

• Power Windows*[1] • Welcome Lighting • One-touch Lane Change Signal • Overhead Console Box • LED Map Lights
• Courtesy Door Lights (front) • Vanity Mirror with Cover and Lights (driver and front passenger)
• Centre Console Ambient Lighting • Centre Console Box • 2 Front Cup Holders (in centre console)
• Door Pockets with Bottle Holders (on all side doors) • Rear Seat Centre Armrest with 2 Cup Holders
• Cargo Area Bag Hooks (x4) • Cargo Net Hooks (x4) • Upper Cargo Hooks (x2)

Climate Control	
Dual-zone Automatic Air-conditioning System	●
Voice-controlled Air-conditioning	●
Heated Door Mirrors	●
Electric Rear Window Defogger with Timer	●
Rear Ventilation System	●

Standard on all models:

• Electric Rear Window Defogger with Timer • Rear Ventilation System

Entertainment	
11.6-inch Full HD Display Premium Audio System with 10 Harman/Kardon Speakers + Subwoofer + 8 Channel Amplifier	●
Wireless Apple CarPlay*[2] and Android Auto*[3]*[4]	●
PIN Code Lock	●
Steering Wheel-mounted Audio Remote Control Switches	●
Voice Recognition System	●
Bluetooth®*[5] Audio Streaming and Hands-free Phone Connectivity	●
Front USB Ports (Type-A and C) and Auxiliary Audio Input Jack	●
Rear USB Power Ports (Type-A and C) behind Centre Console Box	●
Wireless Charger*[4]*[6] (instrument panel centre tray)	●

STANDARD AND OPTIONAL FEATURES

Item	2.5i-S EyeSight 2.5L Direct Injection + Hybrid System (e-BOXER)
Control / Instruments	
Dual-gauge Layout with 4.2-inch Full-colour LCD Meter Display	●
Tilt-adjustable / Telescopic Steering Wheel	●
Paddle Shifters	●
