OUTBACK

UNCOMMON LUXURY

Indulge your senses with the rugged sophistication of the Outback.

Experience luxury with a sportier edge in the Outback. Indulge in a more rugged, yet streamlined design without compromising on comfort and good taste. Treat your senses as you discover the extravagance of pure Nappa leather, the ease of an 11.6-inch touch display and clarity of your favourite music playing from its Harman Kardon sound system. With its emphasis on safety and driving performance, you and your loved ones will enjoy improved drivability, quietness and comfort. The Outback, where every drive is an exclusive privilege meant only for a select few.

11.6-inch display and state-of-the-art infotainment system

A large screen enhances the advanced instrument panel design. Vehicle information, audio and other useful functions can be operated like a smartphone, with a wide range of infotainment features like Apple CarPlay and Android Auto.

Nappa leather seats

A refined interior atmosphere is enhanced with rich, Nappa leather seats. A further expanded interior offers spacious rear seats, while the front seats have been widened to provide more couple distance, offering more space for all passengers.

EyeSight Driver Assist Technology

When the journey gets exciting it's easy to drift, the EyeSight helps you stay in lane all the time. It keeps you alert with a buzzer and a flashing indicator too. That's just one of the many thoughtful features of the EyeSight found in the Outback. This system works like a second pair of eyes, helping you detect and avoid potential accidents, giving you added peace of mind.

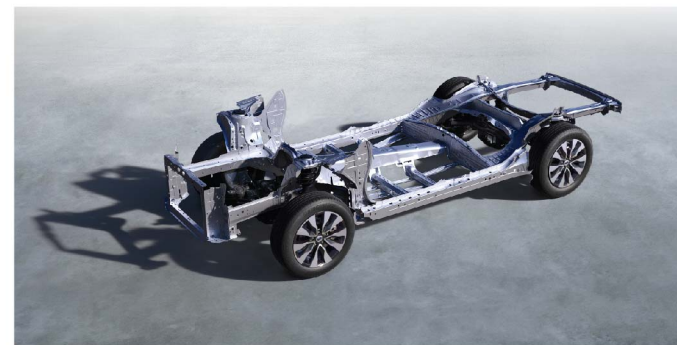

Subaru EyeSight 4.0:

- Adaptive Cruise Control with Lane Centering Function
- Pre-collision Braking with Autonomous Emergency Steering
- Pre-collision Throttle Management
- Lane Sway Warning
- Lane Departure Warning & Prevention
- Lead Vehicle Start Alert

Subaru Global Platform (SGP)

The Outback is built with the improved SGP, where the body has been restructured for even higher rigidity. With a full inner frame construction, expect improved drivability, stability, quietness and ride comfort.

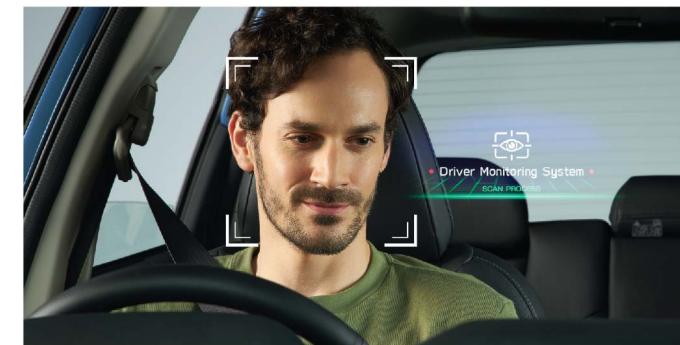

What you can expect from improved Subaru Global Platform:

- Excellent handling stability
- Excellent hazard avoidance performance
- Excellent ride comfort
- No unpleasant vibration or noise

Driver Monitoring System (DMS)

This system supports safer, more comfortable driving through a dedicated camera which recognises up to five drivers and recalls their pre-registered settings. It also alerts when the drivers are distracted or drowsy. It offers a convenient and more personalised driving experience.

- Seat Position Auto Adjustment - recognises up to five drivers and automatically adjusts the seat position according to the driver's pre-registered settings
- Door Mirror Position-Auto Adjustment - conveniently adjusts external mirrors to the driver's pre-registered settings
- Meter Displays - automatically restores the driver's last viewed screen
- Auto Air-conditioning - restores each driver's last used climate control settings for a comfortable cabin environment
- Alert - the system detects if a driver is distracted or drowsy, and alerts via audio or visual warnings on the Meter Displays

Harman Kardon sound system

Music sets the mood with every journey, and wherever you go, a perfect, full-bodied sound matters. Let Harman Kardon deliver an all-encompassing impactful sound that delivers a truly captivating listening experience for you and your passengers.

Hands-free power rear gate with memory height

Loading and unloading of cargo is made easier with the Outback, now equipped with a user-friendly height-adjustable tonneau cover. With its hands-free power rear gate, just hover your hand or elbow over the Subaru emblem of the tailgate to automatically open it.

Additional functions and performance-enhancing equipment, which are new for the Outback.

- 1 New stereo cameras with almost double the field of view
- 2 Electric brake booster
- 3 Reverse Automatic Braking (RAB)
- 4 8 Airbags
- 5 Adaptive Driving Beam
