## PERFORMANCE ACCESSORIES

## EXTERIOR

### 1 Front Lip Spoiler PHP 36,941.10 STP60206010

This spoiler rectifies the flow of air from the front to the sides of the vehicle and improves driving stability. It controls the flow of air and prevents it from lifting the vehicle by diverting it towards the rear.

### 2 Front Side Under Spoiler (2 Pcs) PHP 49,650.00 STP60205520

This spoiler rectifies the flow of air into both front sides of the vehicle as well as improves driving stability. It also controls the flow of air and prevents it from lifting the vehicle by diverting it towards the rear.

Silver Under Spoiler

### Aero Garnish (Rear Door) (2 Pcs) PHP 36,941.10 STP60306210

This product rectifies the airflow from the front to the side of the body when the car is running, in order to stabilise the vehicle. It also provides a protective function in the rear end of the rear door which is prone to damage by loose gravel and other debris.

### Rear Side Under Spoiler (2 Pcs) PHP 49,650.00 STP60315000

This product rectifies the airflow from front to rear by pushing the air efficiently towards the rear end. It also corrects turbulence around the rear bumper, keeping the car body stabilised and improving passenger comfort.

### Side Under Spoiler (2 Pcs) PHP 61,066.00 STP60050000

This is an aerodynamic part which rectifies airflow from the front to the side of the vehicle body when the car is moving, redirecting the airflow under the car body which acts to lift the car, towards the rear of the vehicle. As a result, the car becomes more stable and the handling becomes smoother.

### Door Protector (4 Pcs) PHP 5,815.80 STP10995000

This is a carbon-effect door handle protector which protects the car from scratches and fingerprints when opening/closing doors. Designed for a grip-type door handle, this not only serves as scratch prevention, but also adds a sporty touch.

## INTERIOR

### Push Start Switch STP60012000 PHP 19,763.00

Push-button ignition starter switch for models with keyless entry and push-button starter switches. The cherry red button with the STI logo in the center gives the interior a sporty look.

### STI Shift Knob, Leather PHP 21,865.10 C10105.000

High quality kipskin leather is used and a STI logo is embroidered in cherry red on the top of this gearshift knob. The sides are upholstered with dimpled kipskin for a sporty finish, in piano black for a premium touch.

## ALLOY WHEELS

**STI Alloy Wheel 18" (Gunmetal) (4 Pcs)**  
PHP 185,430.00 8331105/010

**STI Alloy Wheel 18" (Black) (4 Pcs)**  
PHP 185,430.00 8331105/010

**STI Alloy Wheel 17" (Gunmetal/Black/Silver) (4 Pcs)**  
PHP 185,430.00 8331106/100/110/120

These cast aluminium wheels are made using the spinning production process to form the shape of the rims. This ensures a reduced weight with increased rigidity. This design perfectly matches the new Forester body design and its colours.

## FOR WHEELS

**STI Valve Cap Set (4 Pcs)**  
PHP 4,795.00 81281028/030

These wheel valve caps are lightweight with a knurled finish design on machined aluminium to prevent slippage. A silver alumite treatment has been applied to the surfaces of these valve caps to improve its resistance to weather and match the color of the aluminium wheels. The hexagonal heads of the valve caps have rounded tops, and a cherry red STI logo is stamped on the embossed area.

**STI Security Wheel Nut Set**  
PHP 48,465.00 81281708/040

Set of 16 lug nuts and 4 lock nuts. Enhanced security with a reliable locking mechanism. 3-layer nickel plated hard steel, with chrome finish to prevent rust. Special tool included (McGuard). Measures 12 x 1.25mm

**STI Wheel Nut Black Set (20 Pcs)**  
PHP 25,520.00 81281709/030

**STI Wheel Nut Blue Set (20 Pcs)**  
PHP 20,549.00 81281709/030

**STI Wheel Nut Gold Set (20 Pcs)**  
PHP 20,549.00 81281709/030

Narrow lug nut set with 3-piece structure. This product has a 3-layer coating, dichromate finishing to protect against corrosion on tapered areas. Its caps have a clear-coated, laser-engraved STI logo. The theft prevention lock nut can only be installed/removed with a special tool.

## FOR ENGINE

**STI Battery Tower Bar**

PHP 9,416.00 81021825/030

A unique battery holder reminiscent of the flexible tower bar, adds an attractive highlight to the engine compartment, in addition to securely holding the bulky battery.

\* Compatible with batteries with "D" as the third digit

**STI Engine Oil Filler Cap**

PHP 11,328.00 811525725/010

This oil filler cap consists of a die-cast aluminium base that has been machined, and given a stylish resin cover. The shape of the cap has been specially designed to allow for use even when wearing work gloves. The silver aluminium base with embossed black cap showing the cherry red STI logo adds a special touch to the engine compartment.

\* A gasket is not included

**Performance Oil Filter**

PHP 4,415.70 81152065/010

This is an oil filter with enhanced performance thanks to an increased filtration area of 15% compared to conventional filters. With dedicated materials to improve its particle collection performance, this filter also captures fine particles such as carbon and reduces pressure loss by 10%. It is compatible with high viscosity oil, providing a stable performance not only on roads but also on the circuit track.

**STI Flexible Tower Bar**

PHP 38,772.00 84018/000

This is a strut tower bar with a new concept - splitting an aluminium tower bar in the center and connecting the two pieces with pillow ball joints. As the left and right pieces are flexibly connected, the bar can moderately handle longitudinal forces such as gaps on the road to maintain ride comfort while strongly holding against lateral forces during cornering. It greatly improves cornering performance, straight-line stability and ride comfort.

# EXTERIOR

**Door Visor Without Chrome Molding (2 Pcs)**  
PHP 9,988.00 F0010SJ000

These visors are durable, crack-resistant and designed for an unobstructed view of the side mirrors. Its smooth and tapered design is integrated with the external lines of the vehicle for a bold look. It provides good air circulation and keeps the rain out when driving with the windows down.

**Door Visor With Chrome Molding (2 Pcs)**  
PHP 15,616.50 F0010SJD10

These visors with chrome molding are durable, crack-resistant and designed for an unobstructed view of the side mirrors. Its smooth and tapered design is integrated with the external lines of the vehicle for a sleek look. It provides good air circulation and keeps the rain out when driving with the windows down.

**Body Side Molding (2 Pcs)**  
J1017S2150

This easy-to-install body side molding is designed to protect the Forester from shopping carts, door dings, scratches and other road hazards. The colours are matched precisely for added style.

**Chrome Front Grille (For Premium Grade)**  
PHP 41,626.00 J1010S1100

Without proper air flowing into the engine compartment, a car is at risk of overheating. The chrome front grille plays an important role in cooling the vehicle's engine, specifically the radiator. It also lends a distinctive style to the vehicle.

**Rear Bumper Under Guard (Bumper Panel)**  
PHP 60,312.00 E5510S000

This offers added protection to the lower bumper area while giving it a stylish, rugged accent.

**Splash Guard (2 Pcs)**  
PHP 3,877.20 J1010S001 PHP 4,739.00 J1010S004

This helps protect your paint finish from rocks and other road debris.

# CARGO

**Cargo Tray**  
J5018S000 PHP 10,770.00

Protect the cargo area floor from scratches, scuffs, dirt, and moisture with a durable, heavy duty cargo tray. This tray has raised edges to contain spills and messes. It is also custom fit to the Forester's cargo area for ease of removal and cleaning.

**Cargo Step Panel**  
This helps protect the upper surface of the rear bumper from scratches.
