IN-CABIN IONIZER

ESSENTIAL FOR HEALTHIER AIR

The In-cabin Ionizer protects you and your loved ones from unhealthy foreign air particles, which can enter the car cabin while travelling.

The O₃ Ionizer generates negative ions to attract and remove unhealthy airborne particles inside the cabin so that in-vehicle air circulation stays fresh and healthy whenever you are on the road.

Benefits

- Destroys air-borne bacteria, fungi and mould to keep cabin air safe and healthy
- Efficient deodorization of car cabin to remove odors and provide fresh air circulation
- Purify air by removing unhealthy air-borne particles in the cabin
- Auto activation when air-con is switched on
- Extremely safe ozone emission of 0.01 ppm (well below global recognised limit of 0.1 ppm)
- 1-year Warranty from installation date
