Service Process

01

Schedule your contactless service over the phone or online

You will receive a confirmation for your scheduled service appointment and a video conference link for an online service consultation.

02

Drop off your Subaru vehicle at our service center

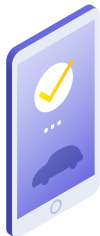

Once the appointment has been confirmed, drop off your Subaru vehicle at the designated service center as per the assigned schedule.

Workshop performs servicing jobs on your Subaru vehicle

Our Service Advisor may contact you via a call, SMS or email to update you on the service progress or any additional recommendations for your consent.

03

Collect your Subaru vehicle upon completion of service

Our Service Advisor will contact you to explain what has been done and share the details for payment (preferably online/cashless).

Once the payment has been confirmed, an online gate pass will be issued for the collection of your Subaru vehicle at the designated service center as per the assigned schedule.
