Enhance your extraordinary SUV with our state-of-the-art accessories which will surely take you on a greater adventure every single time. These accessories are specially designed and engineered to suit your Forester, so take your pick and drive in style!
PERFORMANCE ACCESSORIES

EXTERIOR

1. **Front Lip Spoiler**
   - **Price:** $503
   - **Part Number:** ST96020SE010
   - This spoiler rectifies the flow of air from the front to the sides of the vehicle and improves driving stability. It controls the flow of air and prevents it from lifting the vehicle by diverting it towards the rear.

2. **Front Side Under Spoiler (2 Pcs)**
   - **Price:** $1338
   - **Part Number:** ST96020SE020
   - This spoiler rectifies the flow of air into both front sides of the vehicle as well as improves driving stability. It also controls the flow of air and prevents it from lifting the vehicle by diverting it towards the rear.

3. **Aero Garnish (Rear Door) (2 Pcs)**
   - **Price:** $503
   - **Part Number:** ST96031SE150
   - This product rectifies the airflow from the front to the side of the body when the car is running, in order to stabilise the vehicle. It also provides a protective function in the rear end of the rear door which is prone to damage by loose gravel and other debris.

4. **Rear Side Under Spoiler (2 Pcs)**
   - **Price:** $1349
   - **Part Number:** ST96031SE000
   - This product rectifies the airflow from front to rear by pushing the air efficiently towards the rear end. It also corrects turbulence around the rear bumper, keeping the car body stabilised and improving passenger comfort.

5. **Side Under Spoiler (2 Pcs)**
   - **Price:** $824
   - **Part Number:** ST96031SE000
   - This is an aerodynamic part which rectifies airflow from the front to the side of the vehicle body when the car is moving, redirecting the airflow under the car body which acts to lift the car towards the rear of the vehicle. As a result, the car becomes more stable and the handling becomes smoother.

6. **Door Protector (4 Pcs)**
   - **Price:** $75
   - **Part Number:** ST83031ST080
   - This is a carbon-effect door handle protector which protects the car from scratches and fingerprints when opening/closing doors. Designed for a grip-type door handle, this not only serves as scratch prevention, but also adds a sporty touch.

INTERIOR

7. **Push Start Switch**
   - **Price:** $236
   - **Part Number:** ST83031ST050
   - Push-button ignition starter switch for models with keyless entry and push-button starter switches. The cherry red button with the STI logo in the center gives the interior a sporty look.

8. **STI Shift Knob, Leather**
   - **Price:** $331
   - **Part Number:** C1010SJ000
   - High quality kipskin leather is used and a STI logo is embroidered in cherry red on the top of this gearshift knob. The sides are upholstered with dimpled kipskin for a sporty finish, in piano black for a premium touch.
STI Valveset Cap (4 Pcs)
$81 (ST28102ST030)

These wheel valve caps are lightweight with a knurled finish design on machined aluminium to prevent slippage. A silver alumite treatment has been applied to the surfaces of these valve caps to improve its resistance to weather and match the color of the aluminium wheels. The hexagonal heads of the valve caps have rounded tops, and a cherry red STI logo is stamped on the embossed area.

STI Wheel Nut

Black Set (20 Pcs)
$300 (ST28170ST020)

STI Wheel Nut

Blue Set (20 Pcs)
$300 (ST28170ST010)

STI Wheel Nut

Gold Set (20 Pcs)
$300 (ST28170ST010)

Narrow lug nut set with 3-piece structure. This product has a 3-layer coating, dichromate finishing to protect against corrosion on tapered areas. Its caps have a clear-coated, laser-engraved STI logo. The theft prevention lock nut can only be installed/removed with a special tool.

FOR ENGINE

STI Battery Tower Bar
$150 (ST28102ST020)
A unique battery holder reminiscent of the flexible tower bar adds an attractive highlight to the engine compartment, in addition to securely holding the bulky battery.
* Compatible with batteries with “D” as the third digit

STI Engine Oil Filler Cap
$161 (ST28102ST030)
This oil filler cap consists of a die-cast aluminium base that has been machined and given a stylish resin cover. The shape of the cap has been specially designed to allow for use even when wearing work gloves. The silver aluminum base with embossed black cap showing the cherry red STI logo adds a special touch to the engine compartment.
* A gasket is not included

Performance Oil Filter
$75 (ST7506ST010)
This is an oil filter with enhanced performance thanks to an increased filtration area of 15% compared to conventional filters. With dedicated materials to improve its particle collection performance, this filter also captures fine particles such as carbon and reduces pressure loss by 10%. It is compatible with high viscosity oil, providing a stable performance not only on roads but also on the circuit track.

STI Flexible Tower Bar
$589 (ST28102ST000)
This is a strut tower bar with a new concept - splitting an aluminium tower bar in the center and connecting the two pieces with pillow ball joints. The left and right pieces are flexibly connected. The bar can moderately handle longitudinal forces such as gaps on the road to maintain ride comfort while strongly holding against lateral forces during cornering. It greatly improves cornering performance, straight-line stability and ride comfort.
Door Visor Without Chrome Molding (2 Pcs) $193
These visors are durable, crack-resistant and designed for an unobstructed view of the side mirrors. Its smooth and tapered design is integrated with the external lines of the vehicle for a bold look. It provides good air circulation and keeps the rain out when driving with the windows down.

Door Visor With Chrome Molding (2 Pcs) $236
These visors with chrome molding are durable, crack-resistant and designed for an unobstructed view of the side mirrors. Its smooth and tapered design is integrated with the external lines of the vehicle for a sleek look. It provides good air circulation and keeps the rain out when driving with the windows down.

Body Side Molding (2 Pcs) $1284
This easy-to-install body side molding is designed to protect the Forester from shopping carts, door dings, scratches and other road hazards. The colors are matched precisely for added style.

Chrome Front Grille (For Premium Grade) $642
Without proper air flowing into the engine compartment, a car is at risk of overheating. The chrome front grille plays an important role in cooling the vehicle’s engine, specifically the radiator. It also lends a distinctive style to the vehicle.

Rear Bumper Under Guard (Bumper Panel) $856
This offers added protection to the lower bumper area while giving it a stylish, rugged accent.

Splash Guard (2 Pcs) $107
This helps protect your paint finish from rocks and other road debris.

Cargo Tray Low $225
Protect the cargo area floor from scratches, scuffs, dirt, and moisture with a durable, heavy-duty cargo tray. This tray has raised edges to contain spills and messes. It is also custom fit to the Forester’s cargo area for ease of removal and cleaning.

Cargo Step Panel
This helps protect the upper surface of the rear bumper from scratches.

Resin $193
Stainless Steel $204
Please enquire for details

SIDE SILL PLATE (2 Pcs)

This elegant stainless steel sill plate with the Subaru logo protects the area from scratches and damage.

$267.50

INSTRUMENTATION PANEL

Protects the dashboard while giving a sporty look to the interior of the car.

$267.50
