WARRANTY

Rectification of bubbling is only allowed if bubbles remain after one (1) month during the warranty period.
The above warranty is non-transferable. Warranty is only applicable to the original purchaser of the product.

LIMITATIONS OF WARRANTY
- The installation must be performed on the original paint and the purchaser must follow the maintenance requirements given for the BODYFENCE film.
- The warranty is non-transferable. Warranty is only applicable to the original purchaser of the product. The warranty coverage definitely ends in case of selling or processing of the vehicle.
- The distributor warrants the BODYFENCE film for a duration of one (1) year against bubbling, peeling, yellowing and cracking for head light and side mirror only.
- Optimal adhesion of the BODYFENCE film is obtained after 24 hours following application. Hence, please wait at least 48 hours before washing your vehicle after installation of the paint protection film.
- The paint protection film warranty will depend upon the customer’s care of the vehicle and the outdoor/geographic conditions. We recommend hand washing only.
- Any fresh paint on the car must have dried for at least 7 days at 25 °C before the installation.
- There are specially-designed products to clean paint protection film for purchase from Hyper 21 Enterprises Pte Ltd. Please wait at least 24 hours before washing your vehicle at the patrol station or hand wash after installation of the paint protection film.

*For Terms & Conditions, please refer to page 49.

CARE TIPS
The BODYFENCE film can be cleaned in any conventional automatic car wash, using cleaning products and detergents used for professional maintenance of vehicles and advertising equipment. However, the film should not be cleaned within the first 48 hours following its application as this can affect the adhesive strength that may result in the film peeling off. Solvents and corrosive detergents must not be used.

RimSavers are also available in these colours:

- R1
- R3
- R9

RimSavers are designed to be lightweight and durable. They are a barrier between the wheel rim and the kerb. They simply stick to the wheel with a very high bond tape for easy DIY installation with no removal of the tyre required.

RimSavers have a guide lip on the top side that makes fitting very easy. The included clips add strength and cover the seam so the cut doesn’t have to be perfect.

Prevent kerb rash or damage to your rims with RimSavers

TERMS & CONDITIONS

PARTIAL WRAP (RACING STRIPES WARRANTY)

The wrap that is applied to original vehicle paint is warranted against peelings and bubbles for up to one (1) year from the date of installation.

Hyper 21 Enterprises Pte Ltd does not warrant against any material not installed by certified installers from Hyper 21 Enterprises Pte Ltd.

All removals are quoted separately. Wrap removal can be very time consuming. We charge by the hour for the labour. Hyper 21 Enterprises Pte Ltd will not be responsible for any paint, clear coat, or existing striping damage when we do a removal.

Hyper 21 Enterprises Pte Ltd cannot be responsible for damage to paintwork when the wrap is removed, and would not advise application on a re-sprayed surface, or poor quality/rusted paintwork. Please note, our experience shows that removal of vinyl designed for vehicle wraps, from good quality, factory original paintwork, will not damage the paintwork.

However, it is the duty and responsibility of the owner of the vehicles to ensure suitability of the existing surface before it is wrapped.

The warranty will depend upon the customer’s care of the vehicle and the outdoor/geographic conditions. We recommend hand washing only.

Avoid high pressure and power washing. Also avoid harsh chemicals of any kind as they can deteriorate the wrap.

There are specially designed products to clean and polish vinyl graphics for purchase from Hyper 21 Enterprises Pte Ltd.

All of the products offered by Hyper 21 Enterprises Pte Ltd are non-refundable.

The wrap warranty does not cover graphic products or finished graphics that are modified or damaged through improper storage, misuse, abuse, accident, vandalism, neglect, or mishandling of processed or unprocessed products by any person.

Some degradation of Hyper Graphics Products and Finished Graphics over time is considered normal wear. Hyper 21 Enterprises Pte Ltd warrants that, at the end of the applicable warranty period, the Finished Graphics will be in commercially-acceptable service condition from normal viewing distances.

Hyper 21 reserves the right to change or modify the designs provided in this e-catalogue at any time without prior notice.

All content included in this e-catalogue (including, but not limited to, logos, images, photos, designs, graphics and text) is the property of Hyper 21 Enterprises Pte Ltd and as such is protected by Singapore and international copyright and other intellectual property laws.
