# Subaru Saver Maintenance Programme (SSMP)

## A Well-Maintained Subaru Stands the Test of Time

This comprehensive maintenance programme is specially designed for Subaru vehicles which are 7 years and older, while complying with our manufacturer's standards and quality.

Purchase of 4 service sessions entitles you to 1 additional free service session for 2 years or 40,000km, whichever comes first.

All services are performed by skilled technicians, using the latest equipment in accordance with our manufacturer's operating and quality standards.

We offer more than what you pay for, with genuine Subaru parts and high-quality, fully synthetic oil to keep your Subaru in optimal condition.
